Office of Congressional Affairs
This transcript is furnished so that you may review your testimony and make the necessary typographical and grammatical corrections. Other minor clarifying changes are acceptable provided they do not change the context of your original testimony. Material to be supplied for insertion in the printed record must accompany the transcript.

Please mark corrections, preferably in red ink, initial this memorandum and return to the subcommittee as soon as possible.

To assure that your corrections appear in the final print, this transcript must be returned to the subcommittee by

November 6, 1987

Mary D. Robertson, Chief Clerk
